# Youth learning through arts

Erasmus+ strategic partnership project

Main objectives of the project:

- Increase personnel's professional capacity in using arts methods in youth work and add skills and tools from different art forms to further develop their know-how.
- Raise awareness of creative sector as a tool to approaching different issues with youth.

## Project partners:

*Finnish Nature League* (Finland)

*Pionirski Dom – Center for youth culture* (Slovenia)

*Association for culture and education IMPRO* (Slovenia)

*Malopolski Instytut Kultury w Krakowie MIK* (Poland)

*Art center Cricoteka* (Poland)

**YOUTH LEARNING  
THROUGH ARTS**

# YOUTH LEARNING THROUGH ARTS

## Youth learning through arts

- Workshops for youth in each country
- Three learning activities for art educators and youth workers. In these learning activities professionals worked together with colleagues from other countries.
- Two workshops in each country, one Learning activity in each country

### Themes

- Finland: Environmental arts
- Poland: Youth with disabilities / Accessibility
- Slovenia: Improvisational theatre

# Youth learning through arts

## Workshops with arts based methods:

- Project produced workshops with arts based methods for youth and youth organisations in three countries.
- Workshop sessions were filmed and documented for other organisations to use.
- Outcomes of the project are *three Ebooklets* about the arts based methods.
